

# THE GRECIAN BENCH

## DESCRIPTION

*The grecian bench in oak | dark fumed*

A solid oak bench inspired by classical lines and Arts and Crafts construction.

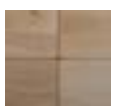

Made to measure to ensure your grecian bench fits your space perfectly. Just at home as a bedside table, luggage stand or garden seat, as a bench for your hall or dining table.

Our grecian bench is typically made in solid oak. Our lighter finishes give the bench a more relaxed and time worn look, and our darker finishes bring gravitas and drama.
